12 September 2008

Dear Parent/Guardian

**RGS Worcester & The Alice Ottley School – Morocco 2010**

The RGS Worcester & The Alice Ottley School is delighted to announce that an expedition to Morocco Atlas to Atlantic coast is planned for Summer 2010. Morocco offers a wealth of culture and diversity. Participants will be encouraged to interact with the communities they encounter to gain the maximum value from their experience.

The personal development value of this sort of experience, the challenge and interaction with different cultures, will give those taking part a real advantage – giving them self-confidence, self-reliance and depth to an already quality education. It is also superb training for any future “gap year” travels and excellent to have on your CV!

There will be a Parents Evening with a full colour presentation and briefing from the organisers, Far Frontiers Expeditions on Thursday 18<sup>th</sup> September 2008, at 7.00pm. Both parents and pupils are invited to attend. There will be time for parents and pupils to ask questions at the end of the presentation. (Please complete and return the slip attached if you are interested in joining the expedition).

Booking forms to join the expedition, plus an itinerary and quote sheet will be available at the Parents Evening. (The booking form and deposit cheque will need to be returned to me by 3<sup>rd</sup> October 2008.

If you have any further questions please do not hesitate to contact me.

Yours sincerely

**Miss J Marsh**
