RELIGIOUS STUDIES DEPARTMENT

8th September 2008

Dear Parent/Guardian

As part of their Religious Studies programme all Year Eight pupils will have the opportunity to visit Worcester Cathedral on the morning of Wednesday 17th September. They will take part in a variety of different activities including a guided tour of the Cathedral and interactive workshops. The Cathedral will make a small charge of approximately £4 to cover their costs.

Pupils will be registered in school as normal before walking down to the Cathedral with their teachers. We will return to school in time for lunch. School uniform must be worn and waterproof coat or jacket if the weather continues to be inclement. A small snack may be brought for break and drinks will be provided.

Yours sincerely,
