Dear Parents

### **Term Dates 2008-09**

I am writing to confirm Term Dates until the end of the academic year in 2009. The information I circulated in May of this year included a number of provisional dates, since Worcestershire County Council had not at that stage made firm decisions about the school year 2008-09.

I can now confirm that virtually all our published dates will remain unchanged. The exception is that **Half Term of Michaelmas Term 2008 will begin one week later**, to coincide with Worcestershire County Council. I believe that The King's School are also planning to begin their Half Term at the same time.
