**MARCH 30<sup>th</sup> – APRIL 7<sup>th</sup> 2009**

**Dear Parents,**

**Following the success of our recent trip to California we are proposing to run another 6<sup>th</sup> Form Ski Trip – this time to the resort voted the best in the North East of Canada - Tremblant Quebec. [www.tremblant.ca](http://www.tremblant.ca)**

**Situated only 90 minutes from Montreal - it has a resort height of almost 3000 ft with advanced snow- making facilities offering near perfect snow conditions throughout the season.**

**The resort is purpose built and has pedestrianised cobbled streets, offering an array of glittering shops, boutiques and restaurants.**

**We have secured 4\* 'Les Suites' accommodation which is situated at the base of the slopes. The luxurious rooms and condominiums are all highly equipped and sleep four, all with private facilities. American type breakfast and evening meals are taken in local restaurants near to the accommodation.**

**The resort boasts the biggest ski area on the Eastern coast. There are miles of confidence boosting meandering trails through trees, with plenty of fast blues and black diamond runs to test the best. There are a total of 94 trails, 3 terrain parks and 1 superpipe.**

**The evening entertainment programme may include Snow Tubing, Swimming, Ice skating and Bowling. We are situated next to the busy village centre so there are plenty of opportunities and activities to choose from.**

**We plan to have an evening stopover in Toronto and visit Niagara Falls on the return journey. We can take in a city tour of Toronto and then experience the views from the top of the CN Tower. The cost of the trip will be £1229.**
